TEACHER DEVELOPMENT COURSE (MODULE 1)

Saturday, June 24 & Sunday, June 25

(Sponsored by CDTA National; Hosted by CDTA SK Branch)

Greetings to dance teachers across the country! For the first time we are holding a CDTA National Syllabus Course - beginning this year out west in Saskatchewan - with a Junior Tap & Jazz Intensive. All Junior Grades and Medal tests will be taught.

With this, we are also introducing nationally our Teacher Development Course (TDC - Module 1). The purpose of this TDC course is to assist and educate teachers as they prepare or continue to teach dance as a career. This Module includes short seminars as follows:

- | | |
|---------------|--|
| Dance History | A brief history of various styles of dancing in North America. |
| Music | An introduction to understanding basic musical rhythmic notation and terms. |
| Anatomy | A presentation of basic anatomy for the dancer & dance teacher. |
| Pedagogy | A look at various aspects to consider when teaching a dance class (including planning classes, teaching styles, classroom management, and evaluation). |

Both these courses will be taught by Stage Examiners from both SK and AB Branches.

JUNIOR MODERN SYLLABUS INTENSIVE
